I concur with Mr. Ferri. I have even chose to pay higher Uber fees in order to not have to subject myself to some of the crazy taxi drivers that are out there.

Thanks.

Good afternoon,

Uber has consistently provided more reliable, efficient, and cost friendly service than taxi companies and I do not agree with this order. Why is this happening in South Carolina and not in other states?

Subject: Uber

Why would y'all take Uber away from us? Us, as in the entire state of South Carolina. I'm 24 years old. I rely on Uber to get me from point A to point B safely and for a low price. I've never been in an Uber and felt unsafe, however I have been in a taxi and felt unsafe. Taking Uber allows me to see when my ride is coming and not having to second guess if a taxi is for me. I know who is picking me up, I see their vehicle, I see their ranking. I know how much I am paying up front. I don't get that same service with a taxi company. I speak for every 21+ person in South Carolina.. We need Uber for safe rides. I guarantee that the state of South Carolina would rather have people taking Ubers verse driving while intoxicated. Y'all should be ashamed of yourselves for taking our transportation away. Y'all won't win this battle, because another company will start up if you make Uber go away.

SC NEEDS UBER. This state and it's regulations are absolutely backwards, corrupt, and ridiculous for not allowing UBER to operate.

WAY TO GO SOUTH CAROLINA!
